CITY ORDINANCE 14.052

TITLE: ORDINANCE AMENDING AND SUPPLEMENTING CHAPTER 304 (TAXATION) ARTICLE VII
(CONSTRUCTION PROJECT LABOR AGREEMENTS) OF THE JERSEY CITY MUNICIPAL CODE

THE MUNICIPAL COUNCIL OF THE CITY OF JERSEY DOES ORDAIN:

2. APPRENTICESHIP PROGRAM means an apprenticeship program operated by a labor organization and registered by the Bureau of Apprenticeship and Training of the US Department of Labor or an apprenticeship equivalent program as that term is used by the State of New Jersey in the Abbot Project Labor Agreement either approved and funded by the New Jersey Department of Labor as of January 1, 2003.
3. CITY OF JERSEY CITY means the City or the Business Administrator or his designee.
4. DEVELOPER means the recipient of a tax exemption for a tax abated project or the awardee of a public construction contract for a public construction project.
5. LABOR ORGANIZATION means an organization which represents, for purposes of collective bargaining, employees involved in the performance of public construction project or tax abated project that has the present ability to refer, provide or represent sufficient numbers of qualified employees to perform the contracted work and has an apprenticeship program.
6. PROJECT COMPLETION means the determination by the City that the project, in whole or in part, is ready for the use intended, which ordinarily shall mean the date on which the project receives its final certificate of occupancy.
7. PROJECT LABOR AGREEMENT means a contract between a labor organization and a developer that contains at a minimum the requirements set forth in this Chapter.
8. PUBLIC CONSTRUCTION PROJECT means any construction contract entered into by the City using public funds, the total cost of which is equal to or exceeds five million dollars (\$5,000,000.00), exclusive of any land acquisition costs.
9. TAX ABATED PROJECT means a project that has a ~~total~~ Total ~~cost~~ Construction ~~cost~~ Cost that is equal to or exceeds twenty-five million dollars (\$25,000,000.00), exclusive of any land acquisition costs, ~~for which the City has granted~~ which receives either 1) a long term tax ~~abatement~~ exemption pursuant to the Long Term Tax Exemption Law N.J.S.A. 40A:20-1 et seq., or 2) a five (5) year tax exemption that requires Municipal Council approval, pursuant to

the Five Year Exemption and Abatement Law, N.J.S.A. 40A:21-1 et seq., and Section 301-6 et seq. of the Municipal Code. [However, any project that is being undertaken by a not for profit organization or which shall contain more than fifty percent (50%) affordable housing shall be excluded.]

- 10. TOTAL CONSTRUCTION COST** means all costs, excluding only land acquisition costs, incurred to construct a project through the date of completion, that is, the date the first Certificate of Occupancy is issued. Total Construction Cost shall generally be determined in accordance with the industry standard of Marshall and Swift Valuation, but including the cost of piling and soil compaction. Total Construction Cost must include any Construction Cost constituting as an element of Total Project Cost under N.J.S.A. 40A:20-3(h)(4), whether the project is approved under the Long Term Tax Exemption or the Five Year Tax Exemption Law.

§304-34. Project labor agreements required [for certain projects]; Reports; Exemption.

1. Project Labor Agreement required: All [t] Tax [a] Abated [p] Projects and all requests for proposals, specifications and final contracts for [p] Public [c] Construction [p] Projects shall require the execution of a project labor agreement that complies with the requirements of this chapter, unless the Business Administrator determines, taking into consideration the nature, size and complexity of the project, such as the height of the buildings, the presence of elevators and the utilization of steel, that a project labor agreement is not appropriate. In all cases, the project labor agreement must advance the interests of the City of Jersey City, including cost, efficiency, quality, time lines, and need for a skilled labor force and safety.
2. Reports:
 - A. All developers or Tax Abated Projects, whether subject to Project Labor Agreement or not, shall submit a detailed certification of the estimated Total Construction Cost with its application for any tax abatement, which shall be made available to the public.
 - B. In the event construction permits are issued more than 12 months have expired from the date of the adoption of the ordinance approving the Tax Abatement, the developer shall be required to re-submit a current estimate of Total Construction Costs to insure that the Total Construction Costs do not exceed \$25,000,000 or it will be deemed a Project Labor Agreement applies.
 - C. No later than 90 days following project completion, the developer shall submit a certification of actual Total Construction Cost. Whether estimated or actual, all Total Construction Cost shall be certified to the City by the project Architect and Engineer. Total Construction Cost is subject to review by the City at the time of application and audit by the City, upon project completion.

§304-35. General requirements.

The project labor agreement [; one form of which is on file in the office of the City Clerk,] shall contain the following terms:

1. A guarantee that there will be no strikes, lock-outs, or other similar actions.
2. Procedures to insure the effective, immediate, and mutually binding resolutions of jurisdictional and labor disputes arising before the completion of the work.
3. A provision to bind all contractors and subcontractors on the project in all relevant documents.
4. Evidence that each contractor and subcontractor working on the project has a local federally registered apprenticeship program.
5. A requirement that twenty percent (20%) of the labor hours required shall be performed by apprentices and that all apprentices shall be Jersey City residents. However, if it can be demonstrated that fulfilling this requirement is not possible because there are not enough apprentices available, the required percentage of apprentices will be decreased accordingly.
6. Conformity with all statutes, regulations and City ordinances regarding the implementation of our goals for women and minority owned businesses.

7. A requirement that Developers and Labor Organizations complete the following "Pre-Construction Actions":
- A. Pre-Construction Meeting: Not less than 90 days prior to the commencement of construction, the developer will meet with the Business Administrator and the labor organization to present workforce needs, which will include the job description of the positions to be filled and the duration of the project. In addition, the developer will provide the construction schedule. The labor organization will present the developer and the City with the names, addresses and trades of eligible apprentices who are available to work on the project.
 - B. Advertisement: Not less than sixty (60) days prior to the commencement of construction, the Labor Organization will advertise in two newspapers regularly published and distributed in Jersey City and outreach via other media, such as cable television, the web, and/or radio.  - C. Job Fairs: Developer and the labor organization will jointly participate in at least two (2) job fairs to be held at a location to be provided by the City in order to explain the apprenticeship programs and solicit applications from attendees. Each participating developer shall pay a pro rata share of the costs of each job fair. The first job fair shall be held at least 50 days prior to commencement of construction.

§304-36. Reports and records.

The project labor agreement shall require the submission of the following reports to the business administrator on the fifteenth day of each month for the previous month, for each year of construction until project completion:

- 1. Manning Report. The developer's report will accurately reflect the total hours in each construction trade or craft and the number of hours worked by City residents, including a list of minority resident and women resident workers in each trade or craft, and will list separately the work hours performed by such employees of the contractor and each of its subcontractors during the previous quarter.
- 2. Certified Payroll Report. The developer's report that will specify the residence, gender and ethnic/racial origin of each worker, work hours, and the rate of pay and benefits provided.
- 3. Equal Employment Opportunity Reports. The labor organization's local union report (EEO-3) and apprenticeship information report (EEO-2) which are required to be filed with the US Commission of Equal Employment Opportunity Commission by the labor organization.
- 4. Apprenticeship Report. The report of the labor organization that shall list of the names, address and contact information of all persons who were accepted to the apprenticeship program. The report shall also list the names, address and contact information of all persons who were rejected for admission to the apprenticeship program with the reasons for their rejection and, for those who failed to finish the program, the reasons why they failed to complete the program.
- 5. Other Reports. The developer or labor organization shall furnish such reports or other documents to the City as the City may reasonably request from time to time in order to carry out purposes of the ordinance.

§304-37. Remedies.

In the event of default the developer shall be provided with a written notice of default allowing the developer ten (10) days to cure the default. Should the developer fail to cure, then, in addition to any other remedies available at law or in equity including termination, the City shall be permitted to seek the following remedies for the failure to comply with this ordinance, ~~which remedies shall also be included in the project labor agreement~~

A reference to the within ordinance, including the within remedies, shall be included in the financial agreement for any Tax Abated Project, irrespective of estimated Total Construction Costs;

Events of Default; Remedies Upon Tenant's Default:

The following are "Events of Default" under this Lease: (a) a default by the Tenant in the payment of rent, or any additional rent when due or within (20) twenty days thereafter; (b) a default by the Tenant in the performance of any of the other material covenants or conditions of this Lease, which the Tenant does not cure within thirty (30) days after the Landlord gives the Tenant written notice of such default; or (c) the eviction of the Tenant.

If an Event of Default occurs, the Landlords, in addition to any other remedies contained in this Lease or as may be permitted by law, may either by force or otherwise, without being liable for prosecution therefore, or for damages, re-enter, possess and enjoy the Leased Premises. The Landlords may then re-let the Leased Premises and receive the rents therefore and apply the same, first to the payment of such expenses, reasonable attorney fees and costs, as the Landlords may have incurred in re-entering and repossessing the Leased Premises and in making such repairs and alterations as may be necessary;

and second to the payment of the rents due hereunder. The Tenant will remain liable for such rents as may be in arrears and also the rents as may accrue subsequent to the re-entry by the Landlords, to the extent of the difference between the rents reserved hereunder and the rents, if any, received by the Landlords during the remainder of the unexpired term hereof, after deducting the aforementioned expenses, fees and costs; the same to be paid as such deficiencies arise and are ascertained each month.

Termination on Default:

If an Event of Default occurs, Tenant shall have thirty (30) days after receipt of written notice from Landlords of said Default, within which to cure same. Landlords may, at any time thereafter, terminate this Lease and the term hereof, upon giving to the Tenant thirty (30) days' notice in writing of the Landlords' intention so to do. Upon the giving of such notice, this Lease and the term hereof will end on the date fixed in such notice as if such date was the date originally fixed in this Lease for the expiration hereof; and the Landlords will have the right to remove all persons, goods, fixtures and chattels from the Premises, without liability for damage.

Whether or not this Lease is terminated by reason of Tenant's default, the Landlords shall take all reasonable steps to mitigate damages.

Non-Liability of the Landlords:

The Landlords will not be liable for any damage or injury which may be sustained by the Tenant or any other person, as a consequence of improper conduct on the part of the Tenant or any tenant's agents, employees, guests, invitees, or attributable to any interference with, interruption of, or failure beyond the control of the Landlords, of any services to be furnished or supplied by the Landlords. This limitation on the Landlords' liability will not apply to damage or injury resulting from the negligence or willful misconduct of the Landlords or of the Landlords' agents, employees, guests, licensees, invitees, assignees or successors.

Transfer of Landlords' Interest. In the event of any transfer or transfers of Landlords' interest in the Leased Premises, the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Landlords accruing from and after the date of such transfer, provided that the new owner or transferee assumes any and all obligations and liabilities under this Lease of the original Landlords.

Hold Harmless Agreement:

The Tenant shall indemnify, defend and hold harmless the Landlords, their Members, officers, employees, contractors, agents, assigns and successors and any other party or entity acting on behalf of the Landlords, from and against any and all liabilities, claims, losses, damages, costs, fees, and expenses incurred therefore, except reasonable attorneys' fees, relating to any alleged or actual (1) personal injury, bodily injury (including death), or property damage (or any consequential damages related to such personal injury, bodily injury or property damage), arising out of any act, error or omission of the Tenant or its employees, agents, consultants or contractors, or (2) any claim for loss, damage to, or theft of any personal property of, or in the care of, the Tenant or its employees, agents, consultants or contractors while such personal property is at or on the Premises, unless resulting from the intentional act of the Landlords. The Tenant's obligation to indemnify pursuant to this section shall survive termination of this Lease.

Miscellaneous:

The foregoing rights and remedies are not intended to be exclusive but as additional to all rights and remedies the Landlords would otherwise have by law. All of the terms and conditions of this lease shall inure to the benefit of and be binding upon the respective heirs, executors, administrators, successors and assigns of the parties. Either party may cancel this Lease during the term of this Lease

if the either party is in default of any material covenants or conditions hereunder.

This Lease contains the entire contract between the parties. No representative, agent or employee of the Landlords has been authorized to make any representations or promises with reference to the within letting or to vary, alter or modify the terms hereof. No additions, changes or modifications, renewals or extensions hereof shall be binding unless reduced to writing and signed by the Landlord and the Tenant. This instrument may not be changed orally.
